OPTIMALEAN

The Ultimate Weight Loss Protein Powder

The new **OptimaLean Chocolate** is more than just your basic meal-supplement powder. **OptimaLean Chocolate** combines a macronutrient profile, micronutrient core, and 14 specialty ingredients for a more sophisticated approach to supporting weight loss or maintenance. Each serving of **OptimaLean** provides 15 grams of high-quality whey protein and 6g of fiber with only 0.5 grams of fat and 4 NET carbohydrates per serving.

As part of its unique nutrient profile, **OptimaLean** contains **glucomannan** (*konjac root*), which has been shown to support weight management and body composition through promotion of appetite control, blood sugar regulation, and modulation of blood lipids. **Glucomannan** in combination with the **chia seed** in **OptimaLean** also provides an excellent source of soluble fiber to promote gastrointestinal regularity. **OptimaLean** now also

contains **cinnamon bark extract**, which has been shown to naturally enhance the effects of insulin for better blood sugar control. **Green tea extract**, another important ingredient, is a potent antioxidant and supports healthy metabolism.

Each serving of **OptimaLean** provides a **vitamin and mineral core** and **trace minerals** along with an **advanced nutrient blend** to support detoxification and aerobic metabolism.
