- The skeletal system, with Funiculis Unbilicus Suis and Coumarinum

D THYROID ISSUES HAVE YOU FEELING DRAINFD?

ENERGIZE

your body isn't able to properly use the prescription medication or natural remedy you're using.

Energize RxS works synergistically with thyroid medications and remedies to optimize the way your body produces and uses thyroid hormones. It also helps relieve the side effects of prescription medications, such as insomnia and increased risk of osteoporosis.

If you're suffering from symptoms related to thyroid dysfunction but aren't taking prescription medications, *Energize RxS* helps relieve those symptoms. It provides homeopathic T4 and T3 to help your body regulate thyroid function.

PRESCRIPTION

SUPPORT AT A GLANCE

Many patients take prescription medications and are unlikely to stop using them, even if they are not happy with results and/or side effects.

ment "traditional" medicine. What can we offer them?

RxS products work synergistically with prescription drugs.

They also effectively address symptoms that are not severe enough to justify prescription medications.

Patients are interested in using alternative medicine to comple-
