

One-Day Event

## MEDICAL DETECTIVE:

*Catching the Hidden Culprit Behind Your Patients' Illness*

**FEBRUARY 9, 2019**

**PHOENIX, AZ**

This one-day seminar will focus on the sneaky, insidious, and often undetected culprit behind today's most rampant symptoms.

Three expert practitioners will focus on the science, diagnostic tools, and support strategies used in homeopathy, managing chronic viruses, HPV, hormone support, and emotional health.

Attendees will learn strategies of how to navigate complex cases and clinical pearls from practitioners who have treated hundreds of cases.

## SPEAKER SPOTLIGHT

### KAREN JOSEPHSON, MD

Dr. Josephson is an MD with a thriving practice in gerontology. She is certified in homeopathy. Dr. Josephson has been in practice over 20 years and is a former professor at USC. She currently operates Sage Healthcare, a concierge-type medical practice, where she provides home visits and 24-hour care access.

### SHERRY TACKETT, WHCNP, LAc

Ms. Tackett has a MS in nursing as well as a Women's Health Nurse Practitioner degree. She has extensive experience in bio-identical hormones, homeopathics and herbal medicine for women. She practices in Phoenix, AZ, using an integrative approach to health care, using both conventional and traditional modalities.

### TODD ROWE, MD, MD (H), CCH, DHT

Dr. Rowe is a licensed homeopathic physician who practiced homeopathy for over 25 years. He is board certified by the American Board of Homeotherapeutics and the Council for Homeopathic Certification. He is the executive director for the Foundation for PIHMA Research and Education.
